Marianne Upton	
Current job title:	Sub-regional Home-Link Manager
Profile:	I have worked in social housing since 1999 & specialised in allocations & homelessness since 2003. I have been a service manager in 2 LAs, a Housing Association & an ALMO since 2006. My current role is managing a sub-regional partnership of 7 LAs & 31 RPs. I have delivered training courses for the CIH & I signed up to be an Independent Chair for the CIH apprenticeships assessment. I think my maximum travelling time would be up to 1 & half hours. I am happy to use skype/facetime etc if needed.
