TAI 2019

1 & 2 May 2019

The SSE SWALEC, Cardiff

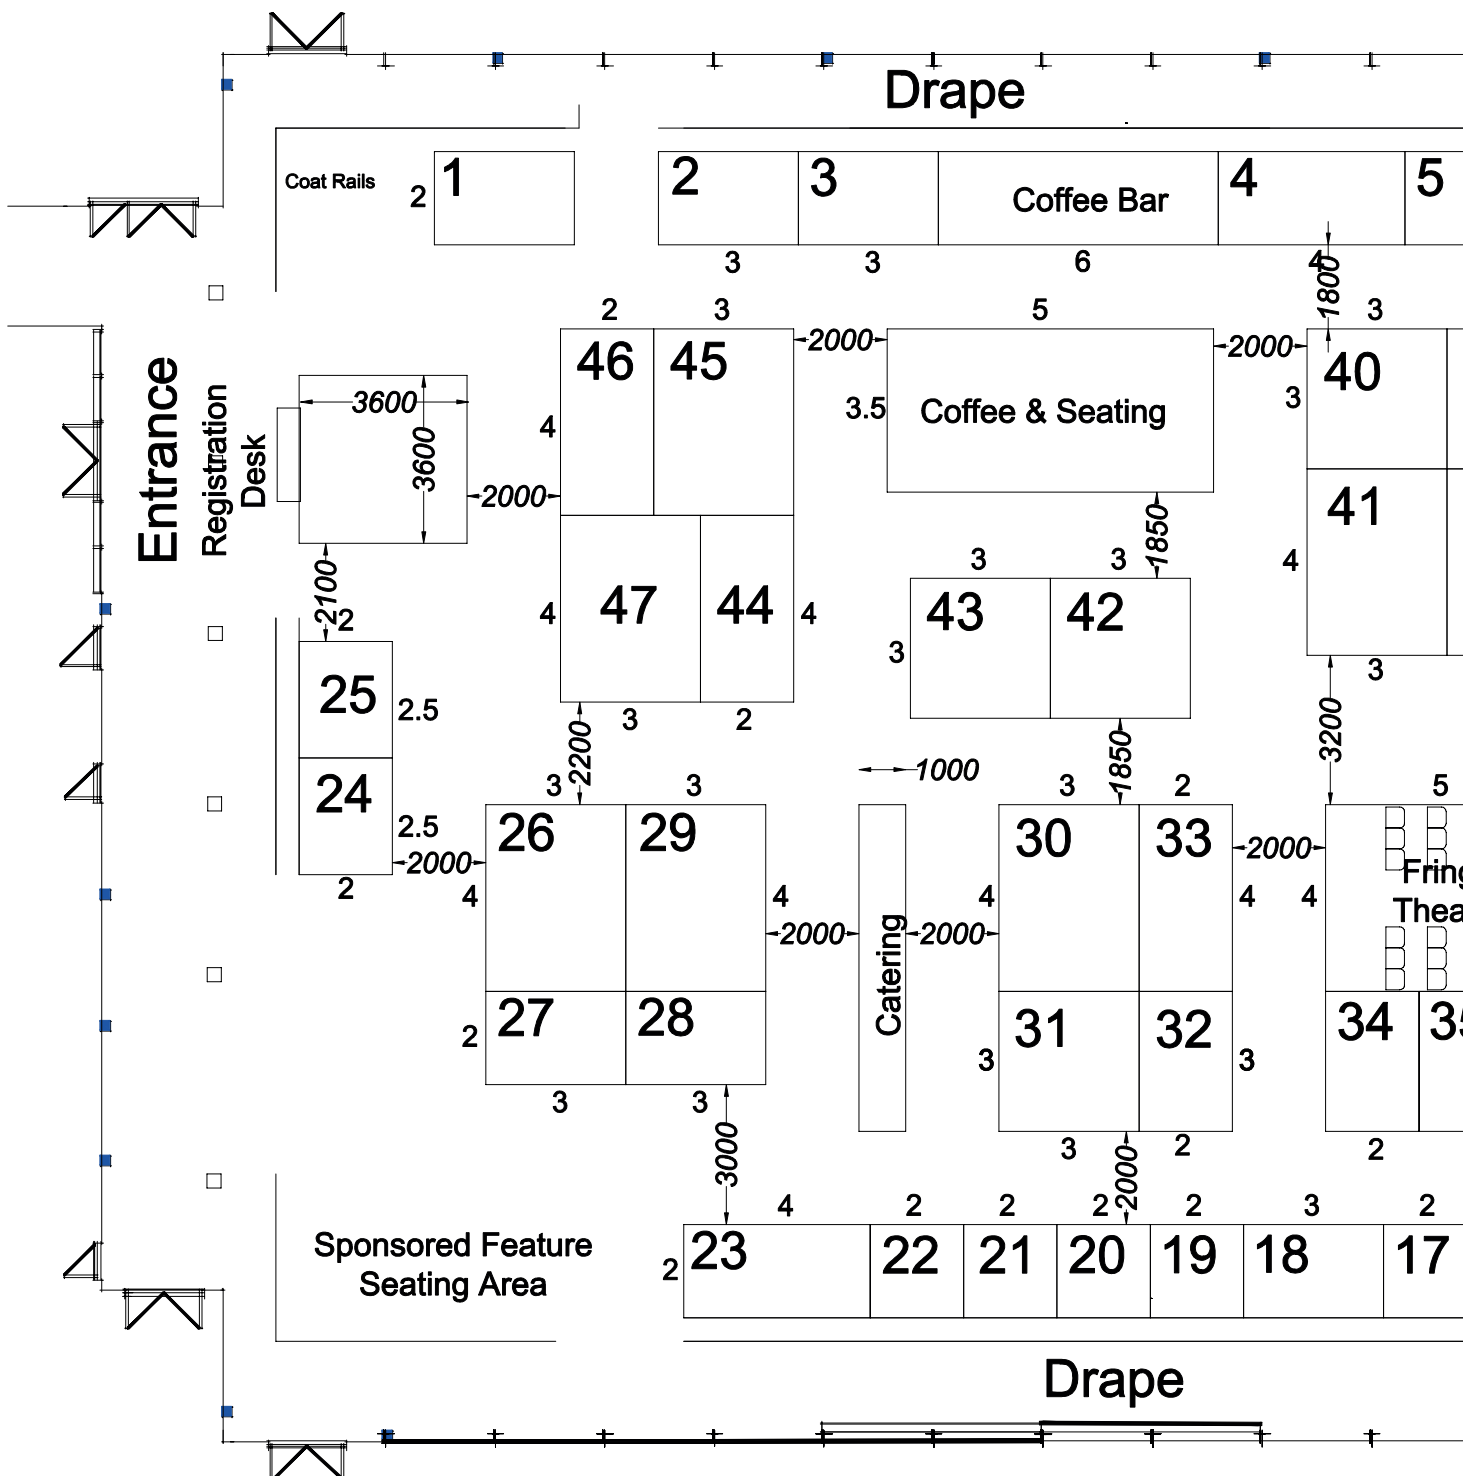

New floorplan layout

TAI 2019

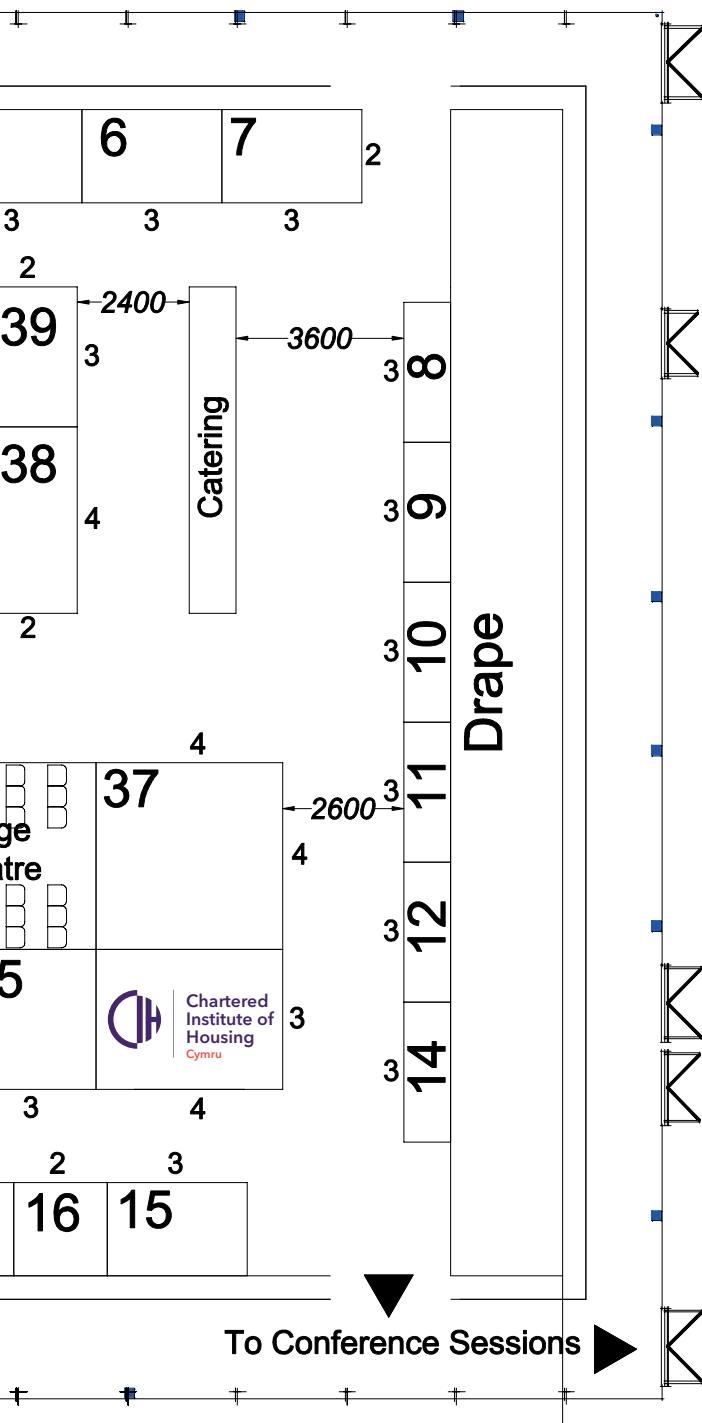

TAI is CIH Cymru's annual flagship event and widely regarded as the arena where the Welsh housing world unites to network, learn and debate the major issues and challenges facing the sector.

Featuring the largest housing exhibition in Wales with over 50 exhibition stands, TAI also attracts over 600 attendees over two days.

Held at the SSE SWALEC, the venue offers exhibitors the chance to connect with key people in a friendly environment. The exhibition hall is central to the conference encouraging maximum footfall for our exhibitors, and by including a variety of events, sessions and focal points, as well as serving all refreshments within this area, we are able to ensure maximum exposure.

Exhibition space - £220+VAT per square metre
