TAX RELIEF ON YOUR SUBSCRIPTION

CIH is a HMRC approved professional body which means that if you are a UK tax payer and you pay your own membership fees, you may be entitled to claim tax relief on your subscription.

By claiming tax relief you are able to reduce the cost of your membership. For example if you are a basic rate tax payer (20%) you could save £59.60 on a fee of £298.00. Please note that your eligibility and the amount of tax relief that you will be able to claim will be subject to your own personal circumstances.

In order to claim tax relief, you will need to request a receipt for your membership fee payment by contacting us at membership.services@cih.org or on 024 7685 1700. You can then submit this to the tax office with your tax return form.

If you don't complete a tax return, you can make a claim by writing or phoning your local tax office (your employer will be able to give you the address and reference). For full details visit www.hmrc.gov.uk/incometax/how-to-get.htm
