Email address:

ABOUT THE GROUP

How many people were in your group?

Please tell us who took part in your group (put a number next to appropriate categories):

___ Tenants and residents ___ People who work for your organisation ___ Board members

___ Local politicians ___ Others - please specify

THE RESULTS

Q1

What is social housing?

Please list the five most agreed words/short phrases the group gave as answers to the question below along with any other comments you wish to share about the discussion.

Q2

What does social housing do?

Please list the five most agreed words/short phrases the group gave as answers to the question below along with any other comments you wish to share about the discussion.

Q3

Who is social housing for?

Please list the five most agreed words/short phrases the group gave as answers to the question below along with any other comments you wish to share about the discussion.

FINAL EXERCISE

What should the role and purpose of social housing be?

As a group, review your answers to the three key questions and agree an answer to the following question in a sentence or paragraph.

Please give us your feedback on how you feel the workshop format worked.

Thank you once again for contributing to CIH's *Rethinking social housing* project
