The North East Needs You!!!

Our North East CIH regional board comprises of up to 15 volunteers who are appointed or co-opted. CIH staff and regional board members work closely to deliver services to members in the region, whilst also promoting CIH and engaging with members and organisations on a variety of issues.

CIH are currently looking to co-opt a number of board members onto the CIH NE Board as some of our existing members are due to step down later this year.

We are looking for professional, committed, passionate, enthusiastic and dynamic individuals to help us grow CIH in the North East. This is a very exciting opportunity for members in the region who feel that they are able to join us and contribute to a well established board.

Particular skills we are looking for include:

- Communication and social media experience
- Policy and Strategic Development
- Leadership experience
- Housebuilder/ Developer experience
- Private rented knowledge

In addition we are looking to grow the diversity of the board and actively welcome Expressions of Interest from all minority groups.

CIH are looking to co-opt members for a period of up to 12 months with the possibility of future extensions.

If you are interested in joining the board we are asking for Expressions of Interest (EOI) only at this stage, please cover the following:

- Name, Job Title and Company
- Why you think you'd be a fantastic addition to our regional board (Maximum of 500 words)

If you have any questions or for an informal discussion please contact Chair of CIH North East Melanie Smith at melanie.smith@gentogroup.com or CIH Regional Manager Stephanie Kelley at Stephanie.kelley@cih.org
