- 2 - Cut on the solid lines
- 3 - Fold on the dotted line
- 4 - Hang on door and talk to your local candidate about housing!

If your local council election candidates come knocking, make sure you ask these five key questions:

1. What are your top three priorities if you are elected? Is housing one of them?
2. Are you confident that this council can deliver enough homes to meet local demand?
3. What do you plan to do to address the issue of homelessness in this area?
4. What impact do you think welfare reform will have on our local community?
5. What will your party do to ensure we meet the specific housing and care needs of older people?

CIH Scotland is here to support you in the development of your career. For further details about learning and development opportunities, events, briefings and other materials, please visit our website www.cih.org/scotland or call the office on 0131 225 4544
