Social housing: An introduction

Course outline
During this course you will discover the current issues, history, functions and latest developments of social housing in Wales.

Learning outcomes
Learners will get an understanding of the role social housing plays in the sector, looking at the similarities and differences of registered social landlords (RSL’s) and local housing authorities. Gain awareness of the contribution that social housing makes to individuals, communities and beyond.

Topics covered
- History of Social Housing
- Regulation, governance and performance
- Role and function of a social landlord
- Current Issues – Anti Social Behaviour, Income Recovery and Welfare Reform
- Empowering Tenants

Who should attend
Anyone who is new or have little experience of social housing
