

Equality & diversity network

Now that we have reached a critical mass of signatories to the Equality & Diversity Charter, we have launched our free, online practice sharing network to help support knowledge sharing and skills development in the sector with regards to equality and diversity.

The online practice sharing platform which we will be using to support the network is called **yammer**. If you would like to join this practice sharing network, please send an email to Niki at policyandpractice@cih.org and she will send you a direct invitation to join the network and guidance on how yammer works.

Please be aware this network is only available to the staff of those organisations that have signed up to the charter.

If you would like to talk to anyone about this, please call Niki Walton or John Thornhill on 024 76 851 777 and we will be happy to help.
