Getting a Handle on Housing...

Chartered

If a Senedd candidate comes a knocking, ask them these **five key questions**:

1. Do you support the right to adequate housing in Wales?
2. Are you confident your party can help deliver the social and affordable homes we need?
3. Will your party provide the right level of funding to improve our existing homes as part of reaching net zero targets?
4. How will your party address stigma associated with social housing and promote the positive impact of diverse communities?
5. How will your party help develop a professional and resilient housing workforce?

Os bydd ymgeisydd y Senedd yn curo'r drws, gofynnwch y **pum cwestiwn allweddol hyn**:

1. Ydych chi'n cefnogi'r hawl i dai digonol yng Nghymru?
2. Ydych chi'n hyderus y gall eich plaid helpu i ddarparu'r cartrefi cymdeithasol a fforddiadwy sydd eu hangen arnom?
3. A wnaiff eich plaid ddarparu'r lefel gywir o gyllid i wella ein cartrefi presennol fel rhan o gyrraedd targedau sero net?
4. Sut fydd eich plaid yn mynd i'r afael â'r stigma sy'n gysylltiedig â thai cymdeithasol a hybu effaith gadarnhaol cymunedau amrywiol?
5. Sut fydd eich plaid yn helpu i ddatblygu gweithlu tai proffesiynol a chydnerth?
