# ...and the survey says

# 89%

of people in Scotland say housing plays a vital or important role in creating a thriving community.

# ...and the survey says

# 57%

of people believe that a mix of high-quality housing types is important for a thriving community.

# Unfortunately ...

# 56%

said they don't believe  
their community is thriving.

# Places to connect

# Places to meet

Places to be proud of

# Places to celebrate

**Homelessness is  
our competition.**

**We will back anyone who  
is willing to help us fight it.**

# Thank you
