Source: See Table 116a.

Notes: 1. See note (1) for Table 116a.

2. Cash figures adjusted using the consumer prices index including owner-occupiers' housing costs (CPIH) which is now the ONS lead inflation index. As the CPIH deflator produced by ONS does not extend back beyond 1989, real-terms figures before this are not available.

3. The figures differ from previous versions (e.g. Table 120b) which adjusted cash figures using the ONS 'all items' retail price index (CHAW).

4. Deflated figures from 2018 are those reported by DWP. Prior to this, the figures were deflated by the authors using CPIH.
